

CLIENT INQUIRY PACKET

Little Sparrows
Pediatric Therapy

PRICES & SERVICES

Speech Evaluation - \$275

A speech evaluation checks how clearly your child speaks and identifies issues like lisps, stuttering, or unclear sounds.

Language Evaluation - \$275

A language evaluation checks how your child understands and uses words to follow directions, ask questions, and express ideas.

Occupational Therapy Evaluation - \$275

An OT evaluation looks at how your child does daily tasks like playing, dressing, and focusing. It helps identify challenges with motor skills, coordination, and independence.

Therapy Session Rates

\$70 – 30-minute session
\$100 – 45-minute session
\$125 – 60-minute session

*Therapy is provided I! at the location of your choice (home/daycare/school)

What clients are saying!

Testimonial

"My son has a fluency disorder. Tiffany has been working with him for a couple of months and he has made great progress. She always comes prepared with a plan for his sessions but is quick to adapt and change depending on his needs at the time. He enjoys his time with her and we have seen him use the tools she's taught him in his everyday life. Tiffany always takes the time to speak to us about his session and next steps. I highly recommend More Than Words Therapies".

-Brandy

Tiffany is wonderful! My daughter absolutely loved working with her. She is knowledgeable, patient and kind. It was awesome seeing the progress. My daughter made while working with her as well as her noticeable boost and confidence!

We have been working with Tiffany at More than Words Therapies for a few months now and have seen such a huge improvement with our daughter's speech and confidence when talking. She's so excited to see Tiffany each session and we are so excited to continue working with her. Tiffany makes it super convenient and comes to our home which is a huge plus! I would highly recommend her!

Welcome!

We love what we do, and there's nothing more meaningful to us than hearing feedback from our amazing community—it's the best compliment we could receive. We are passionate about creating a space where you feel supported, valued, and seen. We're so glad you're here!

Sincerely,

Tiffany Skaggs, M.S., CCC-SLP

FAQs

Do you accept insurance?

We do not accept insurance at this time.

Do you accept Step Up For Students?

Yes! We're a direct provider with Step Up for Students FES-UA. Find us in the EMA portal to submit session requests. Need help? Just ask!

How do I pay?

We'll send a credit card authorization form before your first session. Your card is charged after each session, and receipts are emailed. *Please note: We require credit card on file prior to first session.

****Therapists do not accept payments in person.****

Do you offer free consults?

Yes! We offer a free 15-minute phone consult to discuss your concerns and how we can help.

What if I need to cancel a session?

We try to be flexible with reschedules and ask for notice. If we arrive and the session is missed, a cancellation fee applies. We do our best to confirm sessions.

What do I need at home to prepare for therapy sessions?

Nothing—just you and your child! Sessions are child-led at home. The first visit is often a fun "show and tell." We may ask to use your Wi-Fi if needed.

How long will my child need therapy?

Every child is different, so there's no set timeline. We focus on fun, play-based therapy that builds real-life skills and meaningful progress.

Do I need a new evaluation or an IEP?

Not necessarily. If you have a recent evaluation or IEP, we can likely use it. An IEP isn't required. If the evaluation is outdated or goals have been met, we may recommend updating it to create a new treatment plan.

Ready to start?

1. Email hello@littlesparrowstherapy.com for intake forms. ✓
2. Complete the credit card authorization. ✓
3. Send any recent eval/IEP; if none, we'll schedule an evaluation (reports in 10 business days). ✓
4. We'll contact you to book sessions—excited to work with you! ✓
